

## INVITATION REQUIREMENTS

### **General Information**

- EP Finishing School
- December 10, 2020/online only
- Jointly provided by Postgraduate Institute for Medicine and Kansas City Heart Rhythm Research Foundation and Texas Cardiac Arrhythmia Research Foundation
- If applicable: This activity is supported by an independent educational grant from Medtronic, AtriCure, Biosense Webster, Boston Scientific, Biosense Webster

### **Target Audience**

*List the intended audience (examples listed below, depending on the focus of the activity).*

This activity is intended for cardiology, electrophysiology and cardiothoracic surgery Fellows engaged in the care of patients with atrial fibrillation, atrial flutter and complex arrhythmias.

### **Educational Objectives**

*After completing this activity, the participant should be better able to:*

- Assess understanding of arrhythmia mechanisms.
- Evaluate decision-making process in clinical management.
- Identify Critical problems in cardiac rhythm device management.
- Study problems in clinical EP.
- Discuss appropriate treatment strategies for complex arrhythmias.

### **Faculty**

- Fred Kusumoto, MD – Director of the Heart Rhythm Services, Mayo Clinic
- Gregory Michaud, MD – Professor of Medicine, Section of Electrophysiology, Vanderbilt University School of Medicine
- Mark S. Link, MD – Professor of Medicine, Chairman - Section of Electrophysiology, UT Southwestern University School of Medicine
- Usha Tedrow, MD – Director of the Clinical Cardiac Electrophysiology Program, Brigham and Women's Hospital's Heart Rhythm Program
- Kalyanam Shivkumar, MD – Director of UCLA Cardiac Arrhythmia Center
- Robert Lyons, MD – Cardiothoracic Surgeon, St. Joseph Mercy Hospital
- Jose Joglar, MD – UT Southwestern Medical Center
- Dhanunjaya Lakkireddy, MD – Executive Medical Director, The Kansas City Heart Rhythm Institute and Research Foundation, Professor of Medicine, University of Missouri Columbia
- Luigi Di Biase, MD – Professor of Medicine, Section Head of Electrophysiology Montefiore Medical Center
- Amin Al-Ahmad, MD – Texas Cardiac Arrhythmia Institute

- Andrea Natale, MD – Professor of Medicine, Executive Director, Texas Cardiac Arrhythmia Institute

## **Program Agenda**

**No on-site registration as this is a virtual event.**

### **Saturday, December 10, 2022**

7:45 am – 8:00 am	Introduction and orientation
8:00 am – 10:00 am	<b>Session 1: Clinical EP</b>
10:00 am – 12:00 pm	<b>Session II: Cardiac Ablation</b>
12:00 pm – 1:00 pm	<b>Practical Course on Billing and Coding</b>
1:00 pm – 3:00 pm	<b>Session III: Device Management</b>
3:00 pm – 5:00 pm	<b>Session IV &amp; V: Cardiac Anatomy, Surgical Ablation and LAA Appendage Management</b>
5:00 pm	Adjourn

## **Joint Accreditation Statement**

In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and Kansas City Cardiac Heart Rhythm Research Foundation.

Postgraduate Institute for Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

## **Credit Designation**

***If AMA PRA Category 1 Credit™ is offered:***

### **Physician Continuing Medical Education**

The Postgraduate Institute for Medicine designates this live activity for a maximum of 8 *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## **Fee Information**

There is no fee for this educational activity.
